The ecolabelling organisation hereby grants the above licensee the right to use the Nordic Ecolabel in accordance with the terms of the licence on or in conjunction with products that conform to the provisions of the relevant ecolabelling criteria or in conjunction with the marketing of products. For using the ecolabel in Sweden, Finland, Iceland or Norway, registration in the respective country is necessary.

Ecolabelling Denmark undertakes to inform the relevant licensee if any amendment is made to the criteria document.

The licence will be revoked with immediate effect if the "Regulations for Nordic Ecolabelling of products" or the ecolabelling criteria for the product group are disregarded. If the licensee causes Ecolabelling Denmark direct or indirect costs as a result of this or if damage is caused by a product manufactured/sold by the licensee, the licensee shall indemnify Ecolabelling Denmark in full.

The ecolabelling licence is valid up to the specified date unless notice of cancellation is issued by the licensee or the ecolabelling organisation at least three months in advance. The licence is not transferable.
